

Job Description

We are looking for a **UI/UX Designer** to join our team at DeltaFrontier **in Malaysia**. An innovative Singapore-based company, DeltaFrontier is a fast-growing value-added solution partner providing cutting-edge technologies in the AI and IoT industry. As a regional distributor, we strive to be a leading new technology solution and product supplier.

Why DeltaFrontier?

DeltaFrontier's success is attributed largely to the highly skilled staff we employ and the professional service we provide, allowing us to expand speedily in this region. Our team is the driving force of the company, forging ahead to accomplish its mission and vision. Consisting primarily of proactive, accountable and creative talents with hands-on experience, you can learn from our MNC-background team to support various pre-and post-sales projects.

- You want the primary responsibility of supporting sales growth initiatives across South East Asia.
- You are passionate about new technologies and high growth in the upcoming years.
- You love working in a startup environment and can take responsibility in critical projects.

Responsibilities

- Design and manage visual guidelines of the project.
- Collaborate closely with the project management team and development team for project implementation.
- Working knowledge of wireframing and prototyping tools such as Adobe XD, Figma, Sketch or Photoshop.
- Able to convey ideas and concepts (e.g., storyboards, wireframes, prototypes, etc.).
- Collaborate with product owner/manager to implement UI designs for new product features.
- Improve and optimize existing UI designs.
- Develop wireframes & UI mockups to illustrate design ideas.
- Support creative lead and marketing team with design, preparation and development of various marketing collateral and content (e.g., EDM, infographics, social media assets) within company branding guidelines.

Requirements

- Fresh graduates in design, media or any other related field are welcome.
- Proficiency with Adobe Creative Suite, and Sketch.
- Sensitive to End-User Experience.
- Work fast, collaborate well in a team and has a keen eye for detail.
- Photography, videography (pre- & post-production) and motion graphics skills are a plus.
- Knowledge and understanding of the cryptocurrency industry is a further bonus.

What we offer

- A great team and culture with an MNC-background management team.
- Competitive salary and benefits.
- High growth opportunity for career development.
- Colleague recognition awards.
- Regional business travel expansion.
